

COMBINE HARVESTER CHECK-UP.

Get ready for the new season with a machine in peak condition.

Take your combine harvester to an authorised DEUTZ-FAHR service centre to have it prepared for the new season ahead and qualify for a 10% discount on Original spare parts and lubricants, while also benefiting from the superior professionalism of DEUTZ-FAHR technical staff.

ONCE THE HARVESTING SEASON IS OVER, HAVE YOUR MACHINE SERVICED PROPERLY TO BE READY TO START WORKING AGAIN WITH TOTAL PEACE OF MIND.

A professional checkup will pinpoint any problems arising during the past working season and prevent faults over the next season. Choosing an authorised DEUTZ-FAHR service centre offers the peace of mind of knowing that your machine is checked thoroughly by trained technicians.
